OFFICE OF LEGISLATIVE COUNSEL

Thursday - 27 April 1967

25X1 [] Delivered to Cathy Parham, in the office of Representative Bob Wilson (R., Calif.), a suggested reply to their California office concerning a request for published information categorizing Latin American countries as hostile, neutral, or friendly. Miss Parham thanked me for the reply and said it was all she needed.

25X1 [] Talked to Mr. Painter, House Committee on Interstate and Foreign Commerce staff, concerning a Committee request for comment on H.R. 8295 dealing with the configuration of aircraft and carrying firearms aboard aircraft. I explained to Mr. Painter that we have no interest in the aircraft configuration portion of the bill, and in view of the escape clause concerning the carrying of firearms we would have no interest in this portion. Mr. Painter thanked me for coming in, excused us from commenting on the bill, and said he would not bother us by forwarding subsequent bills of a like nature.

25X1 [] Delivered to Miss Hickey, in the office of Congressman Roman Pucinski (D., Ill.), a suggested reply to their constituent, [] who had written a letter complaining of Agency support to the NSA. Miss Hickey was delighted with the reply and thanked me for bringing it in.

25X1 [] Jerry Mullane, Security, called to inquire what security clearance is held by Gordon A. Nease of the Senate Armed Services Committee. After checking I informed Mullane that Nease holds a liaison clearance running through Top Secret valid for one year following 8 November 1966.
